

Cómo filtrar las fechas

1 Ingresa a <https://app.asimetrix.co>

2 Selecciona "Dashboard Granja"

3 Haz clic para que se despliegue la lista de granjas

4 Selecciona la granja que deseas validar

The screenshot shows the ASIMETRIX-DATALAB interface. At the top, there is a header bar with a logo on the left, the text "ASIMETRIX-DATALAB" in the center, and three icons on the right: a document, a house, and a circle with "DA". Below the header, there is a blue bar with the label "Granja" and a dropdown menu. The dropdown menu is open, showing two options: "Test" and "DEMO". An orange circle highlights the "Test" option.

5 Selecciona el galpón

The screenshot shows the ASIMETRIX-DATALAB interface. At the top, there is a header bar with a logo on the left, the text "ASIMETRIX-DATALAB" in the center, and three icons on the right: a document, a house, and a circle with "DA". Below the header, there is a blue bar with two labels: "Granja" and "Galpón". The "Granja" dropdown menu is open, showing the option "Test". The "Galpón" dropdown menu is also open, showing the option "G01". An orange circle highlights the "G01" option.

6 Haz clic en el selector de fechas para elegir el periodo deseado.

The screenshot shows the Asimetrix-DATALAB interface. At the top, there's a header with the logo and navigation icons. Below it, a blue bar contains two dropdown menus: 'Granja' (set to 'Test') and 'Galpón' (set to 'G01'). A date range selector is highlighted with an orange circle, showing 'Sep 05 2025 09:49 - Sep 12 2025 09:49'. The main area is titled 'Ubicación equipos' and features the Asimetrix logo. Below this, there's a map area with two sensors labeled 'Sensor 1' and 'Sensor 2'. A legend on the right identifies symbols: a blue double-headed arrow for 'Entrada', an orange house for 'Gateway', and a yellow dot for 'Temp, Hum'.

7 Selecciona la fecha que quieras validar

This screenshot shows the same Asimetrix-DATALAB interface as before, but with a date selection dialog box open. The dialog has two tabs: 'Rangos rápidos' and 'Custom'. The 'Custom' tab is active, showing a 'Rango de fechas' section with 'Fecha inicial' set to '2025/09/05 09:49' and 'Fecha final' set to '2025/09/12 09:49'. An orange circle highlights the date input fields. At the bottom of the dialog are 'Cancelar' and 'Aceptar' buttons. The background interface remains the same, with the date range selector still visible at the top.

8 Selecciona el día de inicio

9 Selecciona la hora de inicio

10 Ahora selecciona la fecha final

11 Selecciona el día final

12 Selecciona la hora la final

13 Haz clic en *Aceptar* para Confirmar la selección y aplicar los cambios.

14 Ya tienes el periodo de fechas que quieres visualizar

The screenshot shows the Asimetrix-DATALAB web interface. At the top, there's a header with the Asimetrix logo, the text "ASIMETRIX-DATALAB", and navigation icons. Below the header, there's a blue bar with two dropdown menus: "Granja" (set to "Test") and "Galpón" (set to "G01"). A date range "Sep 06 2025 09:49 - Sep 12 2025 09:49" is displayed. A red circle highlights the date range. Below this, the main area is titled "Ubicación equipos" and features the Asimetrix logo and tagline "UNLOCKING THE POWER OF DATA". At the bottom, there's a diagram showing the location of equipment. It includes a box labeled "Sensor 2" with a yellow dot, and a yellow dot labeled "Sensor 1". A legend table is also present:

↔	Entrada
🏠	Gateway
●	Temp,Hum
